Torrance Minister to Attend Christ-Centered Lecture

Elders, ministers and members of many of the churches of Christ in the greater South Bay area are completing plans to attend a Christ centered lecture at the Sports Arena in Los Angeles tomorrow evening.

It is expected that some 16,000 members of the church from in and around Los Angeles will be present to hear Dr. Ira North, minister of the Madison, Tennessee congregation, principal speaker of the evening, and join their voices in a chorus of sixteen thousand singing favorite old hymns.

Local congregations and ministers planning to attend the Lectureship include: El Segundo, Mr. James Smythe, minister; Hermosa Beach, Mr. Wayne Harrell, minister; San Pedro-Rolling Hills, Mr. Paul Nunn and Mr. Gary Workman, ministers; Torrance, Mr. Duane McCampbell, minister; Gardena, Mr. Bobby J. Sims, minister; Hawthorne, Mr. Hugh Shiras, minister; and Redondo Beach, Mr. Warren S. Jones, minister.

EMPHASIS
Emphasis of the vast gathering will be a "Restoration Centennial," and will commemorate approximately one hundred years of restoration preaching in California. It will serve as a climax of Pepperdine College 19th Annual Spring Bible Lectureship. Members are urged to bring their friends and neighbors to hear "A Review of the California Restoration."

To help publicize the Sports Arena gathering, men of the Redondo Beach congregation, Hollywood Riviera, recently feted the ministers of many of the South Bay Churches of Christ at their monthly Saturday Fellowship Breakfast. Plans were discussed for chartering busses, car pool and other means of helping alleviate traffic and transportation problems.

"It is hoped each one present will feel a part of the historical continuum of God's people," Dr. M. Norvel Young, president of Pepperdine College, has stated, "and we will attempt to reflect the past, evaluate the present, and be challenged for the future."

"It is our desire to make this occasion a vital demonstration of Christian fellowship," Young continued, "with an evangelistic flavor. We will be inspired by Ira North speaking on 'Christ or Materialism,' and the singing of a sixteen thousand voice chorus. We will lift our voices in singing the favorite old hymns, join our hearts in prayer and praise to God, and unite our spirits in facing the challenge of the future," he concluded.

Evangelist Don Chenoweth will speak tonight at the Torrance Baptist Temple, 2077 W. 236th St., Torrance. This is part of a series of lectures by the preacher which are being held at 7:30 p.m. nightly through March 25.

Chenoweth is from Tampa, Florida. He began preaching at the age of eleven and has been heard in some of the largest churches in the United States. Heard weekly over 10,000 watt station WALT in Tampa, the evangelist attended Tennessee Temple College and Temple Baptist Theological Seminary.

AUTHOR
He is the author of: Ready for Heaven in Three Minutes; Why I Left Seventh-Day-Adventism; and Divine Dynamite.

Singing during the meeting will be Mrs. Don Chenoweth who received vocal training at Tennessee Temple College and through private teachers.

Formerly soloist on the largest church radio network in America, she has appeared on numerous religious telecasts.

Various messages to be given by Chenoweth include: The Coming War and the Doom of Russia; The Worst Sin a Christian Can Commit; No Christians in Heaven; Are Other Planets Inhabited; Why Doesn't God Kill the Devil?

Message from Current Series Heard Sunday

The Narbonne Avenue Southern Baptist Church of Lomita will hear another message in the current series of messages, "These Events Changed the World." Message for Sunday at the 8:30 and 10:50 a.m. services will be, "Good Advice For the Good Man." This sermon by the pastor, Robert A. Wells, is a series on events from the life of Christ.

"On this occasion Jesus dealt with one of the best men mentioned in the Bible. Those who have listened to his council have found it made life worth living," Mr. Wells will state.

The church will observe the Ordinance of Baptism at the 6:30 p.m. worship service. The month of March has been observed as "Operation Contact." The fourth in a series of visitation days will be Thursday, March 29.

President David Rockefeller of The Chase Manhattan Bank states: "Our success in this huge effort to expand the economies of the Free World will depend in the final analysis on the contribution of private business. While it is currently fashionable to characterize Western economies as 'mixed,' it is sometimes forgotten that the mixture consists of four-fifths private enterprise and around one-fifth government. The Free World's private businesses are producing goods and services at an annual rate of more than \$700 billion, at least double the total production of the Communist bloc where state enterprise is all-encompassing."
